

WilsonDailyPrep for NPEA Members
Offered in partnership with The National Partnership for Educational Access

The National Partnership for Educational Access (NPEA) is excited to announce a new partnership with WilsonDailyPrep (WDP). This offer is available to both schools and organizations that are NPEA members.

What is WilsonDailyPrep? WilsonDailyPrep is an award winning online SAT, ACT, and college-readiness program that provides daily questions and student accountability. WDP recognizes that student success depends upon consistent practice. Through daily emailed questions and regular feedback, students will prepare for the SAT and ACT as well as build core reading, writing, grammar, and math skills. Today, schools and organizations look to WDP as an effective, equitable solution to SAT and ACT preparation. WDP helps to level the playing field for students who might not have access to quality test prep.

Program Highlights: Students have access to a number of services, including: an online quiz each weekday with either 6 SAT section based verbal/math questions or a full ACT passage and immediate feedback and analysis; a live, personal coach who monitors progress and provides strategies for improvement; performance enhancing features including multimedia lessons, downloadable worksheets, tips and articles; weekly supplemental assignments; and an interactive vocabulary game comprised of 1000 top ranked SAT words. A key component of the program is that we call students' homes if they miss 8 quizzes. This accountability is key to student participation and SAT/ACT success.

Benefits to Your School or Organization: WDP will work with you and tailor the program to meet your needs. Daily quizzes enhance the core curricula and can be completed in or out of the classroom or participating organization. Your students will have access to a built in tracking system, allowing them to assess their performance and track improvement; performance reports sent to parents every three weeks; quarterly reports provided to teachers and administrators; and a Regents state mandated styled essay assigned monthly and evaluated by WDP coaches. Through a special non-profit, Graph It Forward, started by WDP, your students may also have access to free test prep guides and graphing calculators. For more information, please visit www.graphitforward.org.

Cost: The goal of WDP is to make SAT/ACT prep available to schools and organizations serving underrepresented students. The online program is available at a discounted rate of \$30 per student per 9 month period. This is a discount of 90% off the regular pricing. To learn more and demo the program, please visit wilsondailyprep.com.

For More Information: Please contact Carrie Tate at: ctate@tsf.org or (617) 423-6300 x228. Carrie will put you in touch with someone at WDP who can discuss your needs. For more information about the National Partnership for Educational Access please visit: www.educational-access.org.
