---

*New Jersey SEEDS* is a privately funded, statewide, nonprofit organization dedicated to providing educational opportunities to academically talented, financially limited students. New Jersey SEEDS works with competitive, primarily independent, secondary schools to provide opportunities for highly motivated, academically qualified, and economically disadvantaged students.

*The Summer Challenge Program* (SCP) is open to approximately 125 New Jersey students each year. SCP is a residential program held at a boarding school campus, which consists of daily classes in English, Math and History for three weeks during the summer following 7th grade. At the completion of the three weeks, selected students are invited to continue with the Scholars Program and participate in a twelve-month program of classes, retreats, workshops and events.
