Job Title: Dean of Academics  
Reports to: Principal  
Contract Type: 12-month

About Cristo Rey Miami High School (CRM)
Cristo Rey Miami High School is a new private, Catholic, college preparatory high school located on the campus of Barry University. Cristo Rey Miami is part of the Cristo Rey Network – the largest network of Catholic secondary schools in the country. Cristo Rey Network schools transform the educational process for young men and women through a unique integration of rigorous academics, spiritual formation, and a professional corporate experience. All Cristo Rey students attend school for four extended academic days, and participate in a Corporate Work Study Program one day a week. Our students have exposure to many professional fields including: medicine, finance, technology, business, and law. Cristo Rey Miami students are poised to be transformative leaders in their communities and beyond.

Job Description
The ideal candidate, as part of CRM’s founding academic team will possess an ambitious vision for academic excellence, an appreciation for systems that support student success, a culturally responsive mindset, and a commitment to collaboration with all stakeholders. The ideal candidate will create and contribute to a robust academic culture that promotes growth, resilience, accountability, and achievement for all students. The Dean of Academics will use a data-driven approach to assist students who need additional academic support to ensure academic excellence is achieved in all courses. In addition, this person will support and work collaboratively with faculty to ensure all students are receiving a meaningful learning experience. This person will also work effectively with parents/families and school counselors to support the academic development of students. Also, it is an expectation that all faculty and staff support the spiritual mission of Cristo Rey Miami High School. Overall, the ideal candidate will be an integral member of the high-functioning, vibrant team that serves its students needs and cultivates their many talents to and through college.

Responsibilities
