REACH Academic Dean for Mathematics

Position Summary

The Academic Dean for Mathematics’ primary duties are teaching in REACH and Regis mathematics classes—see below for the REACH and Regis mission—and coordinating all REACH mathematics programming. As a member of the REACH administrative team, the Academic Dean also assists with the general administration of REACH throughout the year and assumes other responsibilities as needed including admissions, special events, and graduate support. These teaching and administrative responsibilities require the Academic Dean to be available for the 6-week REACH summer session—including both the 3-week residential program at the Fordham University/University of Scranton and the 3-week day program at Regis—and on 20 REACH Saturdays throughout the school year. As a member of the Regis Mathematics Department, the Academic Dean teaches a reduced load in the high school each year. This is a 12-month position with a targeted start date of June 29th, 2020.

Requirements:

- B.S. Degree with a major or minor in Mathematics
- Position will include teaching at both the middle school and high school level
- Experience working with adolescents
- Excellent organization and communication skills

Preferences:

- Master’s Degree in Mathematics or Mathematics Education
- Successful teaching experience (middle school or high school)
- Spanish language proficiency
- A background working with immigrant families and familiarity with the Jesuit tradition of education
- Familiarity with and understanding of practical uses of technology for instruction

To Apply

Interested applicants should submit a cover letter, resume, statement of educational philosophy, and a list of three references by email to Ms. Silvia Gerber, Secretary to the Search Committee, employment@regis.org. Qualified applicants, when all their required documents are submitted, will be contacted regarding next steps. Regis is an equal opportunity employer.
Regis Mission

Founded in 1914 by an anonymous benefactor and supported by the generosity of her family, its alumni and friends, Regis High School offers a tuition free Jesuit college preparatory education to Roman Catholic young men from the New York metropolitan area who demonstrate superior intellectual and leadership potential. In the admissions process, special consideration is given to those who cannot otherwise afford a Catholic education.

As a Jesuit school Regis is committed to both academic excellence and fostering a spirit of generosity and service to those in need. With an emphasis on academic rigor and Catholic formation, the school's program is designed to promote each student's intellectual and spiritual growth grounded in a deepening relationship with Jesus Christ. Regis seeks to inspire and train the ethnically diverse young men in its care to become imaginative leaders committed to promoting justice and exerting leadership in the Church, in the civic community, and in their chosen profession.

REACH Mission

REACH, through a transformative middle school program, empowers high-achieving young men from underserved communities as Catholic leaders committed to faith, scholarship, and service. A summer and Saturday access program run through Regis High School, REACH serves students whose families demonstrate significant financial need. REACH currently serves 154 students from the 6th to 8th grade, with the ultimate aim of placing each student in a Catholic high school with a scholarship or financial aid. In keeping with the 450-year old Jesuit educational tradition that honors cura personalis, REACH serves its students and alumni by caring for their intellectual, spiritual, emotional and social development.
